

Commit To Catholic Education With the CTODP Tax Credit

Bishop Olmstead is urging all Catholics to “Commit to Catholic Education.” We are asking everyone in our parish to commit their tax dollars to support Our Lady of Joy Roman Catholic Preschool & Kindergarten. By pledging your Arizona tax dollars to our school, we can offer Catholic education to more of our kindergarten families who cannot afford tuition. [OLOJ school code: #121](#)

What is so great about a Tax Credit?

Taxpayers can estimate or actually compute their 2010 state taxes up until April 15th, 2011. If they have any state tax liability, they can choose to **redirect** their taxes (up to \$500 single/\$1000 married) to CTODP for students, instead of paying the state—so it costs nothing to give!

Take the credit.

You can go online at www.catholictuition.org to learn more about CTODP or to make your contribution to Our Lady of Joy School by using our school code: **#121**.
