March 1<sup>st</sup>, 2012

Hi Parents,

We are at the final four letters of the alphabet! Amazing! The children have grown so much this year and continue to amaze me with their ability to learn and retain what they are introduced and taught in class. I am so proud of your children they really have come together as a class and care for one and other so much!

**Week of March 5<sup>th</sup> – Letter “W”**

**Week of March 13<sup>th</sup> – Letter “X”**

**Week of March 19<sup>th</sup> – Letter “Y”**

**Week of March 26<sup>th</sup> – Letter “Z”**

## **February Fruit of the Spirit is “Love”**

We all talked about the season of Lent and what it means to “sacrifice” or “do without”. The kids and I all wrote down things they wanted to do without until Easter. We put them in a plastic bag and the kids buried it on the playground. They really enjoyed this! With Atrium occurring on Tuesdays/Thursdays we have moved Show-N-Tell to M-W-F to allow the children more time to present their items and share their feelings. So feel free to send in items any day of the week, but know that if the item is not in your child's cubby at the end of the day we will get to it the following day.

While we finish the final 4 letters we will be learning a lot about whales, weather, wolves, water, x-ray's, xylophones, X Marks the spot, yaks, yellow things, zebras and the zoo. We will then move writing our numbers 1-10 and a lot of counting! Finally we will spend the remainder of the year reviewing our letters with a different letter/theme each day. We will be reviewing the letters in the order of the alphabet. We will be celebrating Saint Patrick's Day in class on Friday the 17<sup>th</sup>. We will look for signs to see if we get a visit from the leprechaun!

Please welcome our new students Cannon, Cade & Cohen to our class! Cade and Cohen are twin brothers and Cannon is their older brother by 11 months. All the children are enjoying getting to know them and they are fitting right in.

With the new students in our class Ms. Dowd has joined the class too! We are so excited to have her helping out.....she is truly a blessing! Thank you Ms. Dowd!
