29th Sunday in Ordinary Time

WHAT'S ON FORMED NOW?

Pope St. John Paul II - Feast Day October 22

Born Karol Józef Wojtyła on May 18, 1920, in the Polish town of Wadowice, just 50 kilometers from Kraków, he came of age under the shadow of Nazi occupation and Communist oppression — yet neither darkness could extinguish the fire God had lit within him. In 1942, aware of his call to the priesthood, he began courses in the clandestine seminary of Kraków, and his priestly heart never wavered from that moment forward. On October 16, 1978, Cardinal Karol Wojtyła was elected the 263rd successor to Saint Peter. He was the first Slavic pope ever elected, and at 58, the youngest pope in over a century. His feast day marks his installation Mass on October 22, 1978, at which he called Catholics to "Be not afraid!" (Words that became the anthem of his extraordinary pontificate.)

A MESSAGE FROM FR. JESS

Dear Family of God,

What is our duty to God and to our country?

"Give to Caesar what belong to Caesar and to God what belongs to God." In other words, we give to the Emperor the coin because his image is on it, and we give to God our own selves because we are created in the image of God (Gn. 1:26). Jesus' answer acknowledges our obligation as citizens to the state but affirms our larger obligation to God. Both the state and God require certain loyalties from us, but we owe God our very lives. The question Jesus was asked could have been phrased, "Whose side are you on? Israel's or Rome's?" Jesus' answer was "On God's side!"

There are two levels of authority, God and state. We are citizens of two kingdoms, heaven and earth. Yet we have only one master, God is the highest authority; "He is the Lord, and there is no other." What is due to God? Our worship, as Psalms proclaims: "It is rights to give him all glory, honor and praise." Politicians are not gods, we don't worship them, and they are not our savior, only Jesus is. But, they can be instruments for God's purpose, just like King Cyrus in our first Reading. God uses him in restoring the Jews to their homeland after a long exile in Babylon.

May Our Lady of Joy help us to serve God first and then be a good citizen for our country.

Yours in Christ through Mary Immaculate,

Fr. Jess Ty

Welcome to Our Lady's Corner— Your Source for Catholic Inspiration

"The Value of Humility, continued from last week..."

5. Humility improves leadership. The best leaders in history never sought leadership, therefore they knew how to lead from behind humbly. They seek the dignity of others rather than recognition for themselves. They seek genuine teamwork rather than hierarchy placing themselves in a position of importance. They understand that authority is a responsibility. They do not try to save everyone, rather, they participate in the common good and promote a sense of community.

6. Humility gives freedom and peace. This requires constant effort. "Thy will be done" - truly giving to God our daily troubles and trusting in His Divine Providence cannot be accomplished in a prideful soul. The peace and serenity of surrender to Him provides the peace we were meant to have, and it's not easy. But rest assured- everything does not depend on you and we must not think it. While you must move forward, you must see to your responsibilities, you must also "let go and let God".

7. Humility leads to gratitude. Where there is entitlement, there is no gratitude. Where there is gratitude, there is no entitlement. Why? Because they are polar opposites. A prideful soul feels they are owed by everyone, even God. A humble soul realizes that nobody owes them anything, not even God.

8. Humility is a gift to be cultivated. An attempt to make oneself humble can itself become a self-preoccupation (pride). It comes only from grace, prayer, honest self-examination, and concrete acts of love. Through service, listening (avoid talking about oneself), dependence on God and accepting correction from God as well as practicing repentance and contemplation of Christ can go a long way here. Humility teaches personal responsibility by realizing that you are the one who must look-up and learn more about your faith often.

Since Satan trembles at the site of a humble soul as St. Padre Pio said, isn't that evidence enough to value it? Satan hates what Mary and Jesus are. He is confounded by their humility. The light and power of it are too much for him. Great news!

Let's spend the rest of 2026 moving in the right direction. Let's make of ourselves a parish of humble souls holding humility as the dear and beautiful virtue that it is. HUMILITY IS THE FREEDOM TO BECOME A GIFT!
