

# HOW TO CHOOSE YOUR FAMILY'S PRESCHOOL

## A 4-STEP ACTION PLAN

### RESEARCH THE PRESCHOOL

What are my top priorities in a preschool?  
Small class sizes  
Qualified staff?  
Academic programs?

### CALL TO SCHEDULE A TOUR

During preschool tours you will get a sense of the school atmosphere, visit with the students and staff. Can I picture my child here? Does my child seem engaged during the tour?  
As a parent, we have a gut feeling right away.

### ASK QUESTIONS

Come with any questions you have on your preschool tour.  
Where do we purchase uniforms? What is your health policy? Do you have a high turnover in staff?

### WE HOPE YOUR CHOICE IS OLOJ PRESCHOOL

For over 30 years we have been a leader in early childhood education. A strong academic program in a faithful environment makes Our Lady of Joy Preschool the best choice!
